

ARTICLE CHECKLIST AND MAILING INSTRUCTIONS

Please attach a copy of this form to your manuscript, checking each item to be certain that article is compliance with the format and requirements of the Indonesian Journal of Gastroenterology, Hepatology and Digestive Endoscopy

- Type of Article: Please specify:

- ☐ Editorial
- ☐ Original Article
- ☐ Case Report
- ☒ Review Article

- Title Page

- ☒ Title of the article of the author(s)
- ☒ List of author and institutions
- ☒ Correspondence address of the principal author

- Abstract

- ☒ Abstract consist of 100-250 words
- ☒ Keywords consist consists of 3-10 words

- The text Original Article should be organized under headings such as:

- ☐ Introduction
- ☐ Methods
- ☐ Results
- ☐ Discussion
- ☐ Conclusion and suggestion
- ☐ References

- Figures and Tables

- ☐ Numbers of figures and/or tables in Arabic numerals
- ☐ Captions of all tables and/or legends of all figures

- References

- ☒ Use Vancouver style (see instructions to Authors)
- ☒ All cited references in text available in the list

- Floppy Disc/CD-R

Is your manuscript available on floppy disc/CD-R?

- ☐ Yes
- ☒ No

- Name, Address and Phone/Facsimile number for Reprint Requests
